"One Moment In Time"

Mrs. Jowett presents Adam Lazo with a trophy for his outstanding personal service to Southbridge High School.

The Pioneer mural, a gift of the class of 1993, was produced under the auspices of the Student Council and executed by senior Adam Lazo. It is the embodiment and the most visual example of the renewed spirit of "Pioneer Pride". Throughout the year, this positive and winning attitude has meant a great deal to all at Southbridge High School. Academically, athletically and socially we have all tried harder to be the very best that we can be. Our renewed "Pioneer Pride" has made our short time at Southbridge High one filled with many special memories. For this reason we have named our yearbook "ONE MOMENT IN TIME".

"You're a winner
For a lifetime
If you seize that one moment in time
Make it shine
Give me one moment in time
When I'm more than I thought I could be

When all of my dreams are a heartbeat away
And the answers are all up to me
Give me one moment in time
When I'm racing with destiny
Then in that one moment of time
I will feel
I will feel eternity."

Adam Lazo proudly displays his mural exhibiting "Pioneer Pride".

S.H.S. Faculty Members New Hall Of Famers

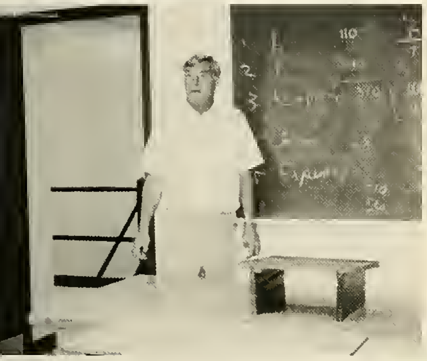
Two members of the Southbridge High School faculty were inducted into the Mary E. Wells/Southbridge High School Hall of Fame at the S.H.S./St Bernards football game on October 16, 1993.

WILLIAM WELCH, a member of the S.H.S. Business Department, won 10 letters as a student, playing football, basketball, baseball, and cross country. He chalked up the highest single season batting average (.600) ever recorded at Wells. Welch, a leading football scorer and a captain of the basketball team, was also a member of the first Southbridge baseball team ever to make the districts.

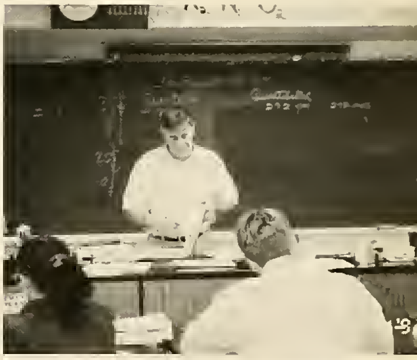
DICK LEDUC was the coach of the S.H.S. Border Conference girl's softball champions for 1972, 73, 74, 75, and 76. His 1975 team was Massachusetts state softball champions with an undefeated 24-0 record. Leduc is the only Wells or S.H.S. coach to win a state title. His teams won 83 games while losing only 7 from 1972 to 1976.

Principal Joseph Bialy congratulates William Welch.

New Hall of Famers. Tom Carey (deceased), award accepted by his sister Vera Anctil, Richard Leduc, Peter Spiro, William Welch, Robert Shaw, and Steve Casavant (deceased). George Vasil accepted for Mr. Casavant.



One Moment In Time



Senior Class History

FRESHMAN YEAR-

The fall of 1990 was filled with excitement and anticipation as we entered Southbridge High. After surviving the Fall Festival and various other "initiations" (exactly how disgusting is that duck pond, guys?), we were ready to take on the responsibilities of high school. We were soon introduced to our class advisor, Mrs. Staffieri (if she only knew what the next four years would bring), and elected class officers, President Brian Aucoin, Vice-President Olga Alicea, Secretary James Leduc, and Treasurer Angela Giovanello.

For the Thanksgiving Day Rally we chose to do "They Shrunk the Pioneers", and soon discovered just how difficult class meetings could be. Although the "shrunken pioneers" were not an overwhelming success, (Homey said go that way,) we still managed to pull off third place in the skit (thanks to the Flintstones). Also, we had a great honor bestowed upon us at this rally. Our president, Brian Aucoin, was chosen to bear the title of Miss Turkey and reign over the Thanksgiving Day rally for four long years. Along with the skit and poster we now had to equip Brian to dazzle the crowd with his unmatchable feminine appeal, with a blond wig, pink taffeta gown, black spike heels, lipstick, and a new voice (thanks to Jay), Miss Turkey learned to really ruffle some feathers.

SOPHOMORE YEAR

Upon returning to school in September, we elected some new class officers. Angela Giovanello took over as President, Toby Payeur claimed Vice-President, Lisa Staffieri was Secretary, and Josh Hmielowski became Treasurer. This year proved to be rather exciting with participation in a total boycott of cafeteria food. This boycott, however, boosted candy bar sales in one of our most successful fundraisers. Most of us have probably forgotten that the big fundraiser of our sophomore year was supposed to be "Nu Skin". As we prepared for this fundraiser we were quickly informed that we were in the midst of a "Nu Skin Scandal". Our salesmen representatives were using our fundraising efforts to sell their products illegally. Needless to say, we never carried out this fundraiser and profited $0.00. In addition, our fall fundraiser and selling red and white leaf bags sporting the Pioneer emblem was not quite successful. The surplus of leaf bags did, however, come in handy in future skits.

Speaking of skits, that Thanksgiving, we decided on "Jeff (as a Theodoss) and the Beanstalk". Although we placed last in all events, this production taught us valuable lessons-to better edit our music (how long were you out there Jarrod?) and to use more than two colors in our poster.

JUNIOR YEAR

Now upperclassmen, our officers again changed positions; Toby climbed to President, newcomer Becky Spear was elected Vice-President, Lisa remained Secretary, and Ang returned to her original position as Treasurer. Early in the year, we began preparations for the Junior/Senior Prom, to be funded by our treasury, by helping to sell football concessions.

When Thanksgiving once again rolled around, we selected "The Pioneers Strike Back" as our theme. Although our Stormtroopers (who looked ravishing our Pioneer leaf bags) were slightly uncoordinated, we pulled together the day of the skit and a good time was had by all. Chewy made her debut by roaring to the crowd, thus branding her with this name for the rest of high school. Despite our determination, we placed third overall, but we all know whose poster deserved first place. (A job well done Adam.)

As the year progressed, we selected "Almost Paradise" as the Prom theme and were the first class to ever hold a Prom Expo at school. Accompanying our Expo was a raffle which raised money for prom expenses. After hard work and long hours, May 28 finally arrived. Despite the lengthy performance by the overzealous hula dancers and the fact that the Hawaii 5-0 theme song was forever embedded in our minds, the evening was an overall success and everyone enjoyed the leis and frozen tropical drinks accompanied by tiny palm trees.

After bidding the Class of 1993 farewell, we anxiously awaited our Senior year.

SENIOR YEAR

We returned in the fall after a summer of sorting through hundreds of brochures and visiting colleges. This year we elected a new President, Steve Julian. Olga Alicea was Vice-President, Becky was Secretary, and Ang was once again Treasurer. We welcomed a new Superintendent, Mrs. Joann Austin (yes, more snow days!) and a new "Head of the Cafeteria", Mr. Bob (no boycotts this year).

In preparation for Thanksgiving, the halls were decorated with posters and streamers as the poster war was launched. Thanksgiving this year was the best ever. For our skit, we did our version of "Robin Hood: Pioneers in Tights." After struggling through uncontrollable class meetings and last minute changes we, as Seniors, finally united victoriously. Due to fashionable red tights, choreography by Carlooooo, talented artists, a special appearance by Reith, and Olga's voice, we received first place in both poster and skit competitions. "Whoomp! There it is Juniors!" As icing on the cake, the next day, our football team defeated our enemies, the Bartlett Indians in an awesome Thanksgiving Day game. And what would football games have been without the concessions stand, (not to bring up painful hot chocolate memories) which was the most successful means of making money, especially on Thanksgiving Day. (Thanks to the Juniors we received all the profits.) Later that night we all celebrated at the Semi Formal/Victory Dance.

In the midst of all the celebrating, we were busy filling out applications, writing essays, and taking SAT's. While taking refuge in the guidance office, we struggled to meet deadlines and looked forward to graduation. The four years we've spent at Southbridge High went as quickly as everyone said they would. And although we are going our separate ways, the memories we have created will stay with us always.

The soccer team had a great season this year. Things weren't looking too positive for the team at the first sports rally starting off the year 0 and 6. They seemed to be reliving the past 3 seasons, but within days after feeling the power of Pioneer Pride the SHS team got it together and took 3 out of 12 games. To the surprize of many opponents, the hard work and dedication of all the team members paid off. The 93-94 Varsity Soccer Team finished with the best season since 1989.

VARSITY FOOTBALL

The 1993 season opened with the Southbridge High School football team facing a tough road ahead! Overshadowed by last year's performance, the Pioneer's season was doubtful to many. As another crippling factor, the football program lost coach Jeff Theodoss, just two days before double sessions. (A greater loss to the upperclassmen because of his positive impact on them).

Two weeks into the season, Southbridge was 0-2. With the combined efforts of the coaching staff and the team, the Pioneers began their climb to success. Pioneer Pride was instilled in the team, fans, and the school. Through the aid of rallies, Southbridge made its mark with a thrilling, come from behind win, over Border Conference rival, the Shepherd Hill Rams, (39-21). The Pioneers revived their spirits and commitment towards excellence.

To the tune of "Little Giant" the Pioneers marched on to victory with the tremendous battle cry of "Pioneer Pride". Southbridge went on to win five straight to become 6-3 before meeting their nemisis-Bartlett. This year's Thanksgiving Day game had a greater meaning. What was on the line was revenge for the prior two defeats, a 7-3 overall record, Border Conference Championship, tradition, and the hearts, blood, and tears of the determined players. This game proved to be a heart-stopper. Southbridge racked up another victory by repeating their trait of being down and out at the half then coming back with a bang and the game ended at 20-14. The mighty Pioneers proved that teamwork is the key to success.

A special thanks to the coaches-Frank Koumanelis, Tony Santilli Jr., Tony Santilli Sr., William Sullivan, and Michael Cournoyer. To the captains- Josh Hmielowski, Tim Aucoin, Shawn Paul, and Luis Rodriguez-for keeping the team united as one, as well as to everyone who made this year possible. May the memories live on in McMahon Memorial Field, home of the SOUTHBRIDGE PIONEERS.

J.V. Football

Although considered by most to be just a sideshow on Monday afternoons, Pioneer J.V. football is tough and exciting. Coach Michael Cournoyer's major objective is to groom these younger gridders for Varsity positions. The J.V. Pioneers had a successful 1993 season with a 7 - 1 record. A 30 man squad was led by the running talents of Ben Laferriere, Ralph Jolin, Jose Morales, Sergio Marcucci, Mike Prymak, and Matt Stoever. The passing guns were Jonathan Benoit and Joshua Trifone. The blocking and tackle experts were T.J. Cournoyer, Tighe Poirier, Chris Shown, Scott Jowett, Scott Ferguson, Marcos Rios, and Joe Lenti. After wins over Northbridge, South Hadley, and Shepherd Hill, the J.V. Pioneers bowed to St. Peter-Marian. They went on to defeat St. Bernard's, Hoosac Valley, Palmer, and Burncoat. A Fantastic season where the Pioneers outscored their opponents making two points for every one point scored by the opposition.

The Field Hockey season was a valuable learning experience. The girls had great aspirations but with only four seniors, a new coach, Alan "Mouse" Beaudry, and little Varsity experience, the odds were stacked against them. Each game was played with pride and aggression but due to inexperience, all led to disappointment in the win/loss column. The team's spirit was not lost and the season went on with unexpected mental victories attained. The Varsity team also worked hard with coach Ron Giovanello, their record was a promising 2-6-6.

The Boys Basketball team was off to a rough start this year, but they gradually improved with each game. The future looked grim as first year coach Gino Manzi lost promising Senior Dana Yacavace to an injury early in the season and the remaining group had limited Varsity experience. After starting the season with an 0-5 record, a successful season seemed doubtful, but the Pioneers made a great comeback when they defeated rival Tourtelotte. Captain Mark O'Donnell leading scorer for the red and white (averaging 14 points per game) led the team to capture their first Border Conference victory (Tantasqua at home) with the ever faithful Bleacher Creatures showing their support. One highlight from the season was legend George Karayiannis bringing the fans to their feet with chants and cheers after he hit his first three-pointer in a heated game against St. Mary's. The team finished overall 6-11 for the season and 5-5 in the Border Conference. Other leading players were Scott Smith, Scott Boulanger, Jon Benoit, and Shawn Paul.

Boy's JV Basketball

The JV Basketball team didn't exactly know what to expect this season. The Junior Pioneers were off to a good start, winning a fair percentage of their games. Their only losses were to tough competitors South Hadley and Westboro. Their teamwork and dedication paid off when they upset Bartlett both times the teams met. Southbridge was behind 16-2, but came back to defeat the evil Indians by ten points. This young, unexperienced group found their key to success by putting the right plays together and trying their best no matter the circumstances. First year coach Ken Stellers should be proud of what his team of red and white has accomplished. They finished the season 12-5 and seated first place in the Border Conference 8-2. After this outstanding JV season the older Pioneers should be eager to play with the caliber of the next group of talented boys, especially starters: Mike Prymack, Steve Lacroix, Jose Pena, Joel Trinque, and Marcos Rios. With such a tremendous season who knows what's in store for the future Varsity Basketball team.

The Girl's Basketball Team had its share of ups and downs. They had the necessary skills and talent but for some reason their performance was not always in sync. Although their season was a rough one and discouraging at times they managed to finish with a 6-13 record.

A boost of confidence occurred after defeating rivals St. Mary's and North Brookfield led by starters Dara Plouffe, Jessica Giroux, Jean Terrill, Jazsmin Sullivan, Wanda Torres. Other contributers on the team included Tammy Sampson, Jessica Ziemba, Jill Laviguer, Vicki Lesnewski, and Domica Ciemga.

Unfortunately the team didn't qualify for the Border Conference but hopefully next year they can put their mistakes behind them and go for it all!

The winter season always brings new faces, new routines, and new hopes and dreams. Captaining this year's squad were Kimberly Daniels, Alicia Lyman, and Lisa Staffieri. The squad was coached by Miss Kerry Varin. Many thanks and congratulations are in order for these vivacious and talented girls ranging from the incoming freshmen to the talented and experienced seven graduating seniors. Congratulations Girls!

Varsity Football Cheerleading

The 1993 Varsity Football Cheerleading squad began their season at a week long NCA Cheerleading camp at UMass Darthmouth during the month of August. While at camp, they placed first winning the Top Team Award as well as receiving another bid to the Nationals in Texas. Kimberly Daniels and Alicia Lyman were chosen as captains for the 1993-1994 Football Cheerleading squad. The rewards of the summer were only a preview of what was to come; exciting games filled with endless bleachermania, smiling faces, stupendous stunts, and results of hard work and dedication. Not only did the cheerleaders work hard in practice, rallies and the sidelines but behind the scenes as well as decorating lockers and hallways for their beloved football players. Candy, fruit, cards, streamers, balloons, and posters decked the fall of 1993. Each girl deserves a round of applause for their many performances on and off the field. One of their most memorable appearances was at the Thanksgiving Rally as they performed a heartfelt rendition of Whitney Houston's "One Moment in Time" as a tribute to the successful 1993 football season.

Washington, D.C. Trip

This year some members took a slight detour from school and went to our nation's capitol, Washington, D.C. At first our trip was canceled, because of the snow, but the delay worked for the best because we were able to see the President of the United States from about one hundred feet away, coming out of the Capitol Building. That day set the tone for the rest of the weekend. Our bus driver, Pete, will never be forgotten nor will he forget us. Over all, the trip was a great success, lots of fun, and very educational. This trip won't be forgotten for a long time to come.

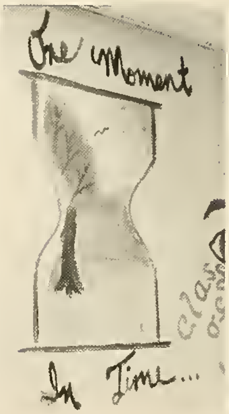
Mrs. J. McGann, Advisor



The yearbook staff is a group of patient, dedicated students who have given up their time to created "One Moment In Time"- your Southbridge High yearbook. The year started during this summer for the yearbook staff. During this time we asked businesses all over Southbridge to contribute towards our yearbook with their ads. We tried telemarketing for the first time during study periods which also boosted our ad revenue.

A good number of our pictures were contributed by students and faculty - and we owe them our thanks.

I personally thank the yearbook staff for the hours of work which they spent picture taking, typing, doing layouts, and everything else that came along the way. I also thank Mrs. McGann for being there all along and those people who saved us at the last moment. Thanks Laurie Sawicki, Brenda Rivas, and Amy Dall.

The National Honor Society is an organization that promotes appropriate recognition for students who reflect outstanding accomplishments in the areas of scholarship, character, leadership, and service. Members of the National Honor Society are obligated to fulfill the four criteria with behavior that is honorable, responsible, and generous to others. Membership is, therefore, both an honor and a commitment. The National Honor Society ranks as one of the oldest and most prestigious national organizations for high school students, and it is widely recognized among administrators and faculty members. This year the NHS consists of fifty-eight members including a five member executive board. They are also involved in activities such as peer tutoring, public relations, and service projects for both the school and community.

The thirty-four member Student Council serves as the voice of our student body. Every Monday and Wednesday morning, the Student Council can be found working on new activities which help to better our school and our community. The Student Council began preparation for the new school year during the summer recess. In July, ten members of the Council attended a leadership conference in Hyannis to share and receive new ideas to improve our school. In September, the night before Freshman Orientation, the Student Council had a "lock-in." The next morning, they welcomed the newcomers to S.H.S. with skits, decorations, and survival kits. The Student Council has sponsored almost all school activities including numerous sports rallies, class competitions, Halloween Dress-Up Day, the Semi Formal Victory Dance, the distribution of candy canes and smile passes to the Nursery School at Christmas, the Winter Carnival, Kindness Day, and Spring Day. They also help sponsor and publicize benefiting programs such as the Charity Committee and Food Share. Through the efforts of the Student Council, a spirit of family and "Pioneer Pride" have been spread throughout Southbridge High School.

Throughout the 1993-1994 school year, the members of the Southbridge High Band performed with pride. During the fall season, the Big Red Marching Band kept the tempo at the varsity football games by playing in the stands and on the field. The band could also be found playing in parades throughout the area. This year they had the opportunity to participate in UMass' annual Band Day along with various marching bands from across the state. During the winter months, the Concert Band and Jazz Band performed in their annual Christmas Concert and prepared for a competition in May in Jackson, New Jersey. A successful Pancake Breakfast was held to help pay for this trip. Along with the Concert and Marching Band many students found time to participate in sectiona ensembles including flute clarinet, saxophone, brass and percussion. Thanks t the dedication and har work of Mr. Bishop and th many members of the ban this school year, the musi department was able t broaden their music curriculum and bring out the hidden talents of each and every individual musician.

The Choral Department at Southbridge High School finally started to take shape due to the arrival of Mrs. Costello. Upon being hired as the chorus teacher, she approached her new position with high hopes to discover the musician in each and every one of her students. She gave her students a true understanding of the real meaning of music, and she opened the doors to new and exciting opportunities for all. The variety of choral ensembles as well as music courses has been breathtaking. The ensembles include: Chorus; Select Chorus; and "After Hours," the vocal jazz ensemble. The new music classes include: Vocal Training and musicianship; Elementary and Advanced Music Theory; and Choreography and the Musical Theatre. All of the choral ensembles are very thankful for all of Mrs. Costello's hard work and dedication and are looking forward to many more years of musical challenges.

Halloween Hysteria

On October 29, 1993, two days before Halloween, we as students at Southbridge High School showed off our school spirit while also adding a twist to our normal Friday routine. We demonstrated our creativity, originality, and pride as we paraded down the halls, doing the Pioneer Stride. The halls were filled with laughter at the decorated pumpkins and weird costumes that there were to see. At the end of this fun filled day, our rally was held not only to rouse our spirits for the following day's game but also to display the heavy competition between individuals and groups for the best costumes of the day.

L-R Sue B., Shara, Glendaly, Heather, and Pouphanh

Front (L-R) Angela Terrill, Toby Payeur, Becky Spear, Amy Dall, Angela Morataglou, Kim Galipeau, Jennifer Craig, 2nd Row: Officer Westwell, Laurie Sawicki, Brenda Rivas, Angela Sinni, Mrs. Jill Leach, Health Coordinator, 3rd row: Peer Leadership Advisor Mr. Michael Cournoyer, Nicole Kopas, Alicea Lyman, Jessica Giroux, and Kelly Laporte.

The Peer Leadership program began with a rocky start this year. This was mostly due to the fact that Mr. Greg Leach, the former advisor, had transferred to Wells Jr. High School and could no longer lead the organization. For a while the program ceased to exist. Then, with the help of the new health teacher, Mr. Michael Cournoyer and ever reliable Officer Joe Westwell, Peer Leadership was on its way again.

The Peer Leaders, along with Mr. Cournoyer, Officer Westwell, and D.A.R.E. bear recently attended classes at West Street School and Trinity Catholic Academy, to help the students with lessons in their D.A.R.E. workbooks. They also went to the D.A.R.E. graduation, toured the police station, and had a few pizzas at Brother's along the way. (Thanks Officer Joc!) These are only a few of the duties of a peer leader. They are also planning a violence prevention program and many other activities for this year. Best of luck to the Peer Leaders and new leader Mr. Cournoyer.

PEER LEADERSHIP

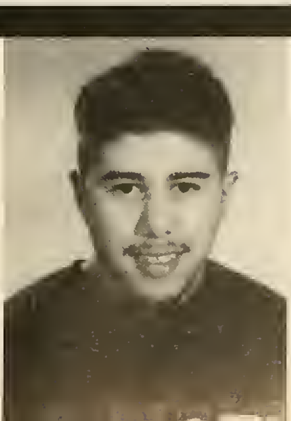
EDWIN MAISONET 1976-1994

Yearbooks are for memories and farewells. But this year it is with much sadness that we say goodbye to Edwin Maisonet a member of the class of 1995.

"You left too soon, Edwin, you will be missed."



"One Moment In Time"

I've lived to be, the very best
I want it all no time for less
I've laid my plans now, lay the chance
Here in my hands

Give me one moment in time
When I'm more that I thought I could be
When all of my dreams are a heartbeat away
And the answers are all up to me
Give me one moment in time
When I'm racing with destiny
Then in that one moment in time
I will be
Free.
